Fabled Copper Corp. announces Reliance Upon Annual Financial Statement Filing Exemption

Vancouver, British Columbia. Fabled Copper Corp. ("FCO.V") ("Fabled" or the "Company") is providing an update on the status of the filing of its annual financial statements and accompanying management's discussion and analysis, and related CEO and CFO certifications for the financial year ended December 31, 2019.

The British Columbia Securities Commission has enacted BC Instrument 51-515 - Temporary Exemption from Certain Corporate Finance Requirements ("BCI 51-515") which allows for a 45-day extension for certain periodic filings required to be made on or prior to June 1, 2020. The Company will be relying on this extension and on the temporary exemption of its Group A filings pursuant to BCI 51-515 in respect to the following provisions:

- the requirement to file audited financial statements for the year ended December 31, 2019 (the "Financial Statements") within 120 days of the Company's financial year end as required by section 4.2(b) of NI 51-102 – Continuous Disclosure Requirements ("NI 51-102");
- the requirement to file management discussion and analysis for the period covered by the Financial Statements within 120 days of the Company's financial year end as required by section 5.1(2) of NI 51-102; and
- the requirement to file certifications of the Financial Statements pursuant to section 4.1 of National Instrument 52-109 – Certification of Disclosure in Issuers' Annual and Interim Filings.

The Company has experienced delays in preparing such documents due to the ongoing COVID-19 restrictions in place in Canada. The Company continues to work with its auditors and expects to make the above mentioned filings before May 31, 2020.

The Company confirms that its management and other insiders are subject to an insider trading black-out policy that reflects the principles in section 9 of National Policy 11-207 - Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions.

The Company reports that the only material business developments since the filing of the Company's interim financial reports for the period ended September 30, 2019 can be found in the Company's news releases dated November 18, 2019, February 13, 2020 and March 6, 2020 as filed on SEDAR. Except as disclosed in this news

release, there have been no material developments in respect of the Company that have occurred since September 30, 2019 being the date of the last filed interim financial reports.
