### **Fabled Copper Corp. Clarifies Halt Request**

**Vancouver, British Columbia.** Fabled Copper Corp. ("FCO.V") ("Fabled" or the "Company") confirms it requested IIROC to halt trading of its stock, and the requested halt was premature. The Company believed it had a deal to acquire a property along with financing to pay for the property. The Company has not accepted the deal, as it does not have financing, and therefore no way to pay for the deal.
