Each FT Unit will consist of one Common Share that will qualify as a "flow-through share" within the meaning of subsection 66(15) of the Income Tax Act (Canada) (the "**Tax Act**") and one Warrant.

Each Warrant will entitle the holder thereof to purchase one Common Share (a "**Warrant Share**") at an exercise price of \$0.10, at any time up to 24 months from the date of satisfaction of the Escrow Release Conditions.

Following completion of the Spin-Out Transaction and satisfaction of the Escrow Release Conditions, Fabled Copper intends to use the net proceeds from the sale of Conventional Unit Subscription Receipts for working capital and general corporate purposes. - iv. there have been no material amendments of the terms and conditions of the Spin-Out Transaction which have not been approved by the Agent;
- v. receipt by the Company or Fabled Copper, as applicable, of all necessary regulatory, shareholder, and other approvals regarding the Offering and the Spin-Out Transaction; and,
- vi. such other documents as the Agent may request for a transaction of this nature in a form satisfactory to the Agent.

During the period commencing on the Closing Date (as defined below) and ending on the earlier of the time of satisfaction of the Escrow Release Conditions and the Termination Time (as defined below), Fabled Copper may use (and the Escrow Agent will be authorized to release to Fabled Copper) up to 15% of the Escrowed Proceeds for expenses related to the Spin-Out Transaction (the “**Early Release Escrowed Proceeds**”).

If (i) the Escrow Release Conditions are not satisfied or waived on or prior to 5:00 p.m. (Toronto time) on the date that is 120 days following the Closing Date (or such later date as the Agent may consent in writing), (ii) the Spin-Out Transaction is terminated in accordance with its terms; or (iii) the Company has advised the Agent or the public that it does not intend to proceed with the Spin-Out Transaction (in each case, the earliest of such times being the “**Termination Time**”), the Company and Fabled Copper will be jointly and severally responsible to refund the gross proceeds of the Offering (including the amount of the Agent’s fee, the Agent’s expenses and the Early Release Escrowed Proceeds) without penalty or deduction to the subscribers of the Offering, such that it would be the Company’s and Fabled Copper’s responsibility to return the full amount of the gross proceeds of the Offering to the holders of Subscription Receipts, together with such holders’ pro rata portion of the interest earned thereon, if any (the “**Required Refund**”). If the Escrow Release Conditions are not satisfied prior to the Termination Time and the Company and Fabled Copper do not have (and cannot, using all commercially reasonable efforts, obtain financing to have) all of the funds required to provide the Escrow Agent with the balance of the Required Refund, the Company will have the right to satisfy any shortfall in the balance of the Required Refund payable to the holders of Conventional Unit Subscription Receipts (being the portion of the proceeds of the Offering not initially included in the Escrowed Proceeds plus any further amount of the Escrowed Proceeds released to the Company in connection with the Early Release Escrowed Proceeds) by issuing to the holders of the Conventional Unit Subscription Receipts (pro rata, based on their respective holdings of Conventional Unit Subscription Receipts) common shares of the Company at a deemed issue price per share of 90% of the 20 day volume weighted average price per share as of the Termination Time.

If satisfaction of the Escrow Release Conditions does not occur by 5:00 p.m. (Toronto time) on the 120<sup>th</sup> day following the Closing Date, and the Agent consents to an extension to the Termination Date, each Conventional Unit Subscription Receipt and Flow-Through Subscription Receipt will thereafter entitle the holder thereof to receive, for no additional consideration, one-and-one-tenth (1.10) Conventional Units or one-and-one-tenth (1.10) FT Units, as applicable, and thereafter for each additional thirty (30) day period prior to the satisfaction of the Escrow Release Conditions, each Conventional Unit Subscription Receipt and Flow-Through Subscription Receipt will be exercisable for an additional 0.02 of a Conventional Unit or FT Unit, as applicable.
